Mcgraw-Hill (MHP) increased his dividend by 10% and said that he would regain more shares. The New York publisher pays a quarterly dividend of 18.15 cents on March 10th to the record holders of February 24. Mcgraw-Hill had already paid 16.5 cents. The repurchase plan provides that the company regains 45 million shares, of which 15 million this year. The company said that the repurchase authority covers 12% of its stock. "The actions of our Board of Directors demonstrate the commitment of The Mcgraw-Hill Companies to maximize the value of the shareholders and the overall performance of the shareholders", said CEO Harold Mcgraw III. Â «Our portfolio of market leading companies continues to give excellent results, and since 1996 we have returned more than $ 4.1 billion to shareholders â €" of which approximately 924 million in 2005 â € "through regulations of shares and major shares Dividendi.â »{Â« Ml-Topbar-Info-01â »| Message}} {â «ml-mi Message}} {{â «ml -opbar-insults-03â» | Message}} Mathleaks uses offline mathleaks ti to instantly access solutions and responses expert in Mcgraw-Hill Education for American High School publications.
